This agreement is to assist RGYC members in becoming certified instructors, or assistant instructors, so as to be able to work for the RGYC Sailing Academy as part of any RGYC Learn to Sail Programs. By signing this agreement, the participant agrees to complete the amount of unpaid work hours, detailed above, for the RGYC in either a Dinghy Instructor or Assistant Instructor position in return for the subsidy of the course, detailed above, within the current financial year or date otherwise specified by RGYC management.

Following the completion of agreed unpaid hours under RGYC casual employment conditions, wage conditions will revert to normal RGYC casual employment conditions. Participants are required to complete timesheets throughout the entire process as per normal RGYC casual employment conditions.

This agreement is void if the agreed hours of unpaid work for RGYC are not complete within 12 months of the course completion or employment is terminated. If this agreement is void then the full amount of the course cost (minus time done in lieu) will be paid by the participant to RGYC.
